SENATE BILL No. 1184

Introduced by Committee on Revenue and Taxation (Senators Scott (Chair), Alpert, Bowen, and Burton)

February 28, 2001

An act to amend Sections 63.1, 170, 257, 532, and 606 of, and to add Section 425 to, the Revenue and Taxation Code, relating to taxation.

LEGISLATIVE COUNSEL'S DIGEST

SB 1184, as introduced, Committee on Revenue and Taxation. Property taxation.

(1) The California Constitution generally limits ad valorem taxes on real property to 1% of the full cash value of that property. For purposes of this limitation, ''full cash value'' is defined as the assessor's valuation of real property as shown on the 1975–76 tax bill under ''full cash value'' or, thereafter, the appraised value of that real property when purchased, newly constructed, or a change in ownership has occurred. The California Constitution also excludes from the terms ''purchased'' and ''change in ownership'' the purchase or transfer of the principal residence of the transferor, or the purchase or transfer of the first $1,000,000 of all other real property, in the case of a purchase or transfer between parents and their children, or grandparents and grandchildren as defined by the Legislature. Statutory law that implements this constitutional exclusion specifies various requirements and procedures.

This bill would, for purposes of those provisions, revise and recast signature and certification requirements, and clarify those requirements in the case in which the excluded requirements transfer involves multiple transferees.

(2) Existing law authorizes a county board of supervisors to provide by ordinance for the reassessment of property that is damaged or destroyed, without fault on the part of the assessee, by a major

misfortune or calamity, upon the application, of the assessee or upon the action of the county assessor with the board's approval. Existing law requires the application to be fixed within the time specified in the ordinance, or if no time is specified, within 60 days of the misfortune or calamity.

This bill would extend the 60-day period in which an applicant may file for reassessment to one year. By requiring local tax officials to provide a higher level of service with respect to reassessment appeals, this bill would impose a state-mandated local program.

(3) Existing law exempts from property taxation buildings, land, and equipment that are used for religious purposes, and requires any person who is granted that exemption to notify the assessor by June 30 if the property becomes ineligible for the exemption.

This bill would instead require the person to notify the assessor by February 15 if the property becomes ineligible for that religious exemption.

(4) Existing law, known as the California Land Conservation Act of 1965, or the Williamson Act, authorizes a city or county, by contract, to limit the uses of land to agricultural uses or as an agricultural preserve in exchange for reduced property taxes.

This bill would generally require an assessment of taxes, penalties or interest that accrue as a result of a compliance audit of records of a local assessor, conducted by, or on behalf of the Department of Conservation, on land values pursuant to the Williamson Act, to be made within 4 years after July 1 of the assessment year in which the property escaped taxation or was underassessed.

(5) Existing property tax law generally requires that an escape assessment be made within 4 years after July 1 of the assessment year in which the subject property escaped taxation or was underassessed, but specifies a 6-year limitations period for the making of an escape assessment that is subject to a statutory penalty for evasion or misrepresentation with respect to taxable personal property.

This bill would increase that 6-year limitations period to 8 years.

(6) Existing property tax law requires, where any tract of land is situated in 2 or more revenue districts, that the portion of the land in each district be separately assessed. Existing law also provides, as exceptions to that requirement, (a) that where the owner of 2 or more contiguous parcels comprising the multiple district tract is identical, and the full value of any parcel is less that $5,000, that parcel may for assessment purposes be combined with the contiguous parcel with the

greatest assessed valuation, and (b) that where the multiple district tract, comprised of 2 or more contiguous parcels under common ownership, is being used for a single-family residence and constitutes 15,000 square feet or less, the smallest parcel therein may be combined with the largest contiguous parcel.

This bill would increase the thresholds for purposes of those exceptions from $5,000 to $25,000, and from 15,000 square feet to 45,000 square feet.

(7) Section 2229 of the Revenue and Taxation Code requires the Legislature to reimburse local agencies annually for certain property tax revenues lost as a result of any exemption or classification of property for purposes of ad valorem property taxation.

This bill would provide that, notwithstanding Section 2229 of the Revenue and Taxation Code, no appropriation is made and the state shall not reimburse local agencies for property tax revenues lost by them pursuant to the bill.

(8) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed $1,000,000 statewide and other procedures for claims whose statewide costs exceed $1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 63.1 of the Revenue and Taxation Code is amended to read:

63.1. (a) Notwithstanding any other provision of this chapter, a change in ownership shall not include the following purchases or transfers for which a claim is filed pursuant to this section:

(1) The purchase or transfer of real property which is the principal residence of an eligible transferor in the case of a purchase or transfer between parents and their children.

(2) The purchase or transfer of the first one million dollars ($1,000,000) of full cash value of all other real property of an eligible transferor in the case of a purchase or transfer between parents and their children.

(3) (A) Subject to subparagraph (B), the purchase or transfer of real property described in paragraphs (1) and (2) of subdivision (a) occurring on or after March 27, 1996, between grandparents and their grandchild or grandchildren, if all of the parents of that grandchild or those grandchildren, who qualify as the children of the grandparents, are deceased as of the date of purchase or transfer.

(B) A purchase or transfer of a principal residence shall not be excluded pursuant to subparagraph (A) if the transferee grandchild or grandchildren also received a principal residence, or interest therein, through another purchase or transfer that was excludable pursuant to paragraph (1) of subdivision (a). The full cash value of any real property, other than a principal residence, that was transferred to the grandchild or grandchildren pursuant to a purchase or transfer that was excludable pursuant to paragraph (2) of subdivision (a) and the full cash value of a principal residence that fails to qualify for exclusion as a result of the preceding sentence shall be included in applying, for purposes of paragraph (2) of subdivision (a), the one million dollar ($1,000,000) full cash value limit specified in paragraph (2) of subdivision (a).

(b) (1) For purposes of paragraph (1) of subdivision (a), ‘‘principal residence’’ means a dwelling for which a homeowners’ exemption or a disabled veterans’ residence exemption has been granted in the name of the eligible transferor. ‘‘Principal residence’’ includes only that portion of the land underlying the principal residence that consists of an area of reasonable size that is used as a site for the residence.

(2) For purposes of paragraph (2) of subdivision (a), the one million dollar ($1,000,000) exclusion shall apply separately to each eligible transferor with respect to all purchases by and transfers to eligible transferees on and after November 6, 1986, of real property, other than the principal residence, of that eligible transferor. The exclusion shall not apply to any property in which the eligible transferor’s interest was received through a transfer, or transfers, excluded from change in ownership by the provisions of either subdivision (f) of Section 62 or subdivision (b) of Section

65, unless the transferor qualifies as an original transferor under subdivision (b) of Section 65. In the case of any purchase or transfer subject to this paragraph involving two or more eligible transferors, the transferors may elect to combine their separate one million dollar ($1,000,000) exclusions and, upon making that election, the combined amount of their separate exclusions shall apply to any property jointly sold or transferred by the electing transferors, provided that in no case shall the amount of full cash value of real property of any one eligible transferor excluded under this election exceed the amount of the transferor's separate unused exclusion on the date of the joint sale or transfer.

(c) As used in this section:

(1) ''Purchase or transfer between parents and their children'' means either a transfer from a parent or parents to a child or children of the parent or parents or a transfer from a child or children to a parent or parents of the child or children. For purposes of this section, the date of any transfer between parents and their children under a will or intestate succession shall be the date of the decedent's death, if the decedent died on or after November 6, 1986.

(2) ''Purchase or transfer of real property between grandparents and their grandchild or grandchildren'' means a purchase or transfer on or after March 27, 1996, from a grandparent or grandparents to a grandchild or grandchildren if all of the parents of that grandchild or those grandchildren who qualify as the children of the grandparents are deceased as of the date of the transfer. For purposes of this section, the date of any transfer between grandparents and their grandchildren under a will or by intestate succession shall be the date of the decedent's death.

(3) ''Children'' means any of the following:

(A) Any child born of the parent or parents, except a child, as defined in subparagraph (D), who has been adopted by another person or persons.

(B) Any stepchild of the parent or parents and the spouse of that stepchild while the relationship of stepparent and stepchild exists. For purposes of this paragraph, the relationship of stepparent and stepchild shall be deemed to exist until the marriage on which the relationship is based is terminated by divorce, or, if the relationship is terminated by death, until the remarriage of the surviving stepparent.

(C) Any son-in-law or daughter-in-law of the parent or parents. For the purposes of this paragraph, the relationship of parent and son-in-law or daughter-in-law shall be deemed to exist until the marriage on which the relationship is based is terminated by divorce or, if the relationship is terminated by death, until the remarriage of the surviving son-in-law or daughter-in-law.

(D) Any child adopted by the parent or parents pursuant to statute, other than an individual adopted after reaching the age of 18 years.

(4) ‘‘Grandchild’’ or ‘‘grandchildren’’ means any child or children of the child or children of the grandparent or grandparents.

(5) ‘‘Full cash value’’ means full cash value, as defined in Section 2 of Article XIII A of the California Constitution and Section 110.1, with any adjustments authorized by those sections, and the full value of any new construction in progress, determined as of the date immediately prior to the date of a purchase by or transfer to an eligible transferee of real property subject to this section.

(6) ‘‘Eligible transferor’’ means a grandparent, parent, or child of an eligible transferee.

(7) ‘‘Eligible transferee’’ means a parent, child, or grandchild of an eligible transferor.

(8) ‘‘Real property’’ means real property as defined in Section 104. Real property does not include any interest in a legal entity.

(9) ‘‘Transfer’’ includes, and is not limited to, any transfer of the present beneficial ownership of property from an eligible transferor to an eligible transferee through the medium of an inter vivos or testamentary trust.

(10) ‘‘Social security number’’ also includes a taxpayer identification number issued by the Internal Revenue Service in the case in which the taxpayer is a foreign national who cannot obtain a social security number.

(d) (1) The exclusions provided for in subdivision (a) shall not be allowed unless the eligible transferee, the transferee’s legal representative, or the executor or administrator of the transferee’s estate files a claim with the assessor for the exclusion sought and furnishes to the assessor each of the following:

(A) A written certification by the transferee, the transferee’s legal representative, or the executor or administrator of the transferee's estate*, signed and* made under penalty of perjury*,* that the transferee is a grandparent, parent, child, or grandchild of the transferor *and that the transferor is his or her parent, child, or grandparent*. In the case of a grandparent-grandchild transfer, the written certification shall also include a certification that all the parents of the grandchild or grandchildren who qualify as children of the grandparents were deceased as of the date of the purchase or transfer and that the grandchild or grandchildren did or did not receive a principal residence excludable under paragraph (1) of subdivision (a) from the deceased parents, and that the grandchild or grandchildren did or did not receive real property other than a principal residence excludable under paragraph (2) of subdivision (a) from the deceased parents. The claimant shall provide legal substantiation of any matter certified pursuant to this subparagraph at the request of the county assessor.

(B) ~~A copy of a written certification by the transferor, the transferor's legal representative, or the executor or administrator of the transferor's estate made under penalty of perjury that the transferor is a grandparent, parent, or child of the transferee. The~~ *A* written certification shall also include either or both of the following:

(i) If the purchase or transfer of real property includes the purchase or transfer of residential real property, a certification that the residential real property is or is not the transferor's principal residence.

(ii) If the purchase or transfer of real property includes the purchase or transfer of real property other than the transferor's principal residence, a certification that other real property of the transferor that is subject to this section has or has not been previously sold or transferred to an eligible transferee, the total amount of full cash value, as defined in subdivision (c), of any real property subject to this section that has been previously sold or transferred by that transferor to eligible transferees, the location of that real property, the social security number of each eligible transferor, and the names of the eligible transferees of that property.

(C) If there are multiple transferees, the certification and signature may be made by any one of the transferees, if both of the following conditions are met:

(i) The transferee has actual knowledge that, and the certification signed by the transferee states that, all of the transferees are eligible transferees within the meaning of this section.

(ii) The certification is signed by the transferee as a true statement made under penalty of perjury.

(2) If the full cash value of the real property purchased by or transferred to the transferee exceeds the permissible exclusion of the transferor or the combined permissible exclusion of the transferors, in the case of a purchase or transfer from two or more joint transferors, taking into account any previous purchases by or transfers to an eligible transferee from the same transferor or transferors, the transferee shall specify in his or her claim the amount and the allocation of the exclusion he or she is seeking. Within any appraisal unit, as determined in accordance with subdivision (d) of Section 51 by the assessor of the county in which the real property is located, the exclusion shall be applied only on a pro rata basis, however, and shall not be applied to a selected portion or portions of the appraisal unit.

(e) (1) The State Board of Equalization shall design the form for claiming eligibility. Except as provided in paragraph (2), any claim under this section shall be filed:

(A) For transfers of real property between parents and their children occurring prior to September 30, 1990, within three years after the date of the purchase or transfer of real property for which the claim is filed.

(B) For transfers of real property between parents and their children occurring on or after September 30, 1990, and for the purchase or transfer of real property between grandparents and their grandchildren occurring on or after March 27, 1996, within three years after the date of the purchase or transfer of real property for which the claim is filed, or prior to transfer of the real property to a third party, whichever is earlier.

(C) Notwithstanding subparagraphs (A) and (B), a claim shall be deemed to be timely filed if it is filed within six months after the date of mailing of a notice of supplemental or escape assessment, issued as a result of the purchase or transfer of real property for which the claim is filed.

(2) In the case in which the real property subject to purchase or transfer has not been transferred to a third party, a claim for

exclusion under this section that is filed subsequent to the expiration of the filing periods set forth in paragraph (1) shall be considered by the assessor, subject to all of the following conditions:

(A) Any exclusion granted pursuant to that claim shall apply commencing with the lien date of the assessment year in which the claim is filed.

(B) Under any exclusion granted pursuant to that claim, the adjusted full cash value of the subject real property in the assessment year described in subparagraph (A) shall be the adjusted base year value of the subject real property in the assessment year in which the excluded purchase or transfer took place, factored to the assessment year described in subparagraph (A) for both of the following:

(i) Inflation as annually determined in accordance with paragraph (1) of subdivision (a) of Section 51.

(ii) Any subsequent new construction occurring with respect to the subject real property.

(3) (A) Unless otherwise expressly provided, the provisions of this subdivision shall apply to any purchase or transfer of real property that occurred on or after November 6, 1986.

(B) Paragraph (2) shall apply to purchases or transfers between parents and their children that occurred on or after November 6, 1986, and to purchases or transfers between grandparents and their grandchildren that occurred on or after March 27, 1996.

(4) For purposes of this subdivision, a transfer of real property to a parent or child of the transferor shall not be considered a transfer to a third party.

(f) The assessor shall report quarterly to the State Board of Equalization all purchases or transfers, other than purchases or transfers involving a principal residence, for which a claim for exclusion is made pursuant to subdivision (d). Each report shall contain the assessor's parcel number for each parcel for which the exclusion is claimed, the amount of each exclusion claimed, the social security number of each eligible transferor, and any other information the board shall require in order to monitor the one million dollar ($1,000,000) limitation in paragraph (2) of subdivision (a).

(g) This section shall apply to both voluntary transfers and transfers resulting from a court order or judicial decree. Nothing in this subdivision shall be construed as conflicting with paragraph (1) of subdivision (c) or the general principle that transfers by reason of death occur at the time of death.

(h) (1) Except as provided in paragraph (2), this section shall apply to purchases and transfers of real property completed on or after November 6, 1986, and shall not be effective for any change in ownership, including a change in ownership arising on the date of a decedent's death, that occurred prior to that date.

(2) This section shall apply to purchases or transfers of real property between grandparents and their grandchildren occurring on or after March 27, 1996, and, with respect to purchases or transfers of real property between grandparents and their grandchildren, shall not be effective for any change in ownership, including a change in ownership arising on the date of a decedent's death, that occurred prior to that date.

SEC. 2. Section 170 of the Revenue and Taxation Code is amended to read:

170. (a) Notwithstanding any provision of law to the contrary, the board of supervisors may, by ordinance, provide that every assessee of any taxable property, or any person liable for the taxes thereon, whose property was damaged or destroyed without his or her fault, may apply for reassessment of that property as provided herein.

To be eligible for reassessment the damage or destruction to the property shall have been caused by any of the following:

(1) A major misfortune or calamity, in an area or region subsequently proclaimed by the Governor to be in a state of disaster, if that property was damaged or destroyed by the major misfortune or calamity that caused the Governor to proclaim the area or region to be in a state of disaster. As used in this paragraph, ‘‘damage’’ includes a diminution in the value of property as a result of restricted access to the property where that restricted access was caused by the major misfortune or calamity.

(2) A misfortune or calamity.

(3) A misfortune or calamity that, with respect to a possessory interest in land owned by the state or federal government, has caused the permit or other right to enter upon the land to be suspended or restricted. As used in this paragraph, ‘‘misfortune or calamity’’ includes a drought condition such as existed in this state in 1976 and 1977.

The application for reassessment may be filed within the time specified in the ordinance, or, if no time is specified, within ~~60 days~~ *one year* of the misfortune or calamity, by delivering to the assessor a written application requesting reassessment showing the condition and value, if any, of the property immediately after the damage or destruction, and the dollar amount of the damage. The application shall be executed under penalty of perjury, or if executed outside the State of California, verified by affidavit.

An ordinance may be made applicable to a major misfortune or calamity specified in paragraph (1) or to any misfortune or calamity specified in paragraph (2), or to both, as the board of supervisors determines. An ordinance may not be made applicable to a misfortune or calamity specified in paragraph (3), unless an ordinance making paragraph (2) applicable is operative in the county. The ordinance may specify a period of time within which the ordinance shall be effective, and, if no period of time is specified, it shall remain in effect until repealed.

(b) Upon receiving a proper application, the assessor shall appraise the property and determine separately the full cash value of land, improvements and personalty immediately before and after the damage or destruction. If the sum of the full cash values of the land, improvements and personalty before the damage or destruction exceeds the sum of the values after the damage by five thousand dollars ($5,000) or more, the assessor shall also separately determine the percentage reductions in value of land, improvements and personalty due to the damage or destruction. The assessor shall reduce the values appearing on the assessment roll by the percentages of damage or destruction computed pursuant to this subdivision, and the taxes due on the property shall be adjusted as provided in subdivision (e). However, the amount of the reduction shall not exceed the actual loss.

(c) The assessor shall notify the applicant in writing of the amount of the proposed reassessment. The notice shall state that the applicant may appeal the proposed reassessment to the local board of equalization within 14 days of the date of mailing the notice. If an appeal is requested within the 14-day period, the board shall hear and decide the matter as if the proposed reassessment had been entered on the roll as an assessment made outside the regular assessment period. The decision of the board regarding the damaged value of the property shall be final, provided that a decision of the local board of equalization regarding any reassessment made pursuant to this section shall create no presumption as regards the value of the affected property subsequent to the date of the damage.

Those reassessed values resulting from reductions in full cash value of amounts, as determined above, shall be forwarded to the auditor by the assessor or the clerk of the local equalization board, as the case may be. The auditor shall enter the reassessed values on the roll. After being entered on the roll, those reassessed values shall not be subject to review, except by a court of competent jurisdiction.

(d) If no application is made and the assessor determines that within the preceding ~~six months~~ *one year* a property has suffered damage caused by misfortune or calamity that may qualify the property owner for relief under an ordinance adopted under this section, the assessor shall provide the last known owner of the property with an application for reassessment. The property owner shall file the completed application within 30 days of notification by the assessor but in no case more than ~~six months~~ *one year* after the occurrence of said damage. Upon receipt of a properly completed, timely filed application, the property shall be reassessed in the same manner as required in subdivision (b).

(e) The tax rate fixed for property on the roll on which the property so reassessed appeared at the time of the misfortune or calamity, shall be applied to the amount of the reassessment as determined in accordance with this section and the assessee shall be liable for: (1) a prorated portion of the taxes that would have been due on the property for the current fiscal year had the misfortune or calamity not occurred, to be determined on the basis of the number of months in the current fiscal year prior to the misfortune or calamity; plus, (2) a proration of the tax due on the property as reassessed in its damaged or destroyed condition, to be determined on the basis of the number of months in the fiscal year after the damage or destruction, including the month in which the damage was incurred. For purposes of applying the preceding calculation in prorating supplemental taxes, the term ‘‘fiscal year’’ means that portion of the tax year used to determine the adjusted amount of taxes due pursuant to subdivision (b) of Section 75.41. If the damage or destruction occurred after January 1 and before the beginning of the next fiscal year, the reassessment shall be utilized to determine the tax liability for the next fiscal year. However, if the property is fully restored during the next fiscal year, taxes due for that year shall be prorated based on the number of months in the year before and after the completion of restoration.

(f) Any tax paid in excess of the total tax due shall be refunded to the taxpayer pursuant to Chapter 5 (commencing with Section 5096) of Part 9, as an erroneously collected tax or by order of the board of supervisors without the necessity of a claim being filed pursuant to Chapter 5.

(g) The assessed value of the property in its damaged condition, as determined pursuant to subdivision (b) compounded annually by the inflation factor specified in subdivision (a) of Section 51, shall be the taxable value of the property until it is restored, repaired, reconstructed or other provisions of the law require the establishment of a new base year value.

If partial reconstruction, restoration, or repair has occurred on any subsequent lien date, the taxable value shall be increased by an amount determined by multiplying the difference between its factored base year value immediately before the calamity and its assessed value in its damaged condition by the percentage of the repair, reconstruction, or restoration completed on that lien date.

(h) (1) When the property is fully repaired, restored, or reconstructed, the assessor shall make an additional assessment or assessments in accordance with subparagraph (A) or (B) upon completion of the repair, restoration, or reconstruction:

(A) If the completion of the repair, restoration, or reconstruction occurs on or after January 1, but on or before May 31, then there shall be two additional assessments. The first additional assessment shall be the difference between the new taxable value as of the date of completion and the taxable value on the current roll. The second additional assessment shall be the difference between the new taxable value as of the date of completion and the taxable value to be enrolled on the roll being prepared.

(B) If the completion of the repair, restoration, or reconstruction occurs on or after June 1, but before the succeeding January 1, then the additional assessment shall be the difference between the new taxable value as of the date of completion and the taxable value on the current roll.

(2) On the lien date following completion of the repair, restoration, or reconstruction, the assessor shall enroll the new taxable value of the property as of that lien date.

(3) For purposes of this subdivision, ‘‘new taxable value’’ shall mean the lesser of the property’s (A) full cash value, or (B) factored base year value or its factored base year value as adjusted pursuant to subdivision (c) of Section 70.

(i) The assessor may apply Chapter 3.5 (commencing with Section 75) of Part 0.5 in implementing this section, to the extent that chapter is consistent with this section.

(j) This section applies to all counties, whether operating under a charter or under the general laws of this state.

(k) Any ordinance in effect pursuant to Section 155.1, 155.13, or 155.14 shall remain in effect according to its terms as if that ordinance was adopted pursuant to this section, subject to the limitations of subdivision (b).

(*l*) In lieu of subdivision (d), if no application is made and the assessor determines that within the preceding six months a property has suffered damage caused by misfortune or calamity, that may qualify the property owner for relief under an ordinance adopted under this section, the assessor may, with the approval of the board of supervisors, reassess the property as provided in subdivision (b) and notify the last known owner of the property of the reassessment.

SEC. 3. Section 257 of the Revenue and Taxation Code is amended to read:

257. (a) Any person claiming the religious exemption shall submit to the assessor an affidavit giving specific information relating to property tax exemption.

(b) The affidavit shall show that:

(1) The building, equipment, and land are used exclusively for religious purposes.

(2) The land claimed as exempt is required for the convenient use of the building.

(3) The property is owned by an entity organized and operating exclusively for religious purposes.

(4) The entity is nonprofit.

(5) No part of the net earnings inures to the benefit of any private individual.

(c) Any exemption granted pursuant to a claim filed in accordance with this section, once granted, shall remain in effect until ~~such time as~~ title to the property changes or the property is no longer used for exempt purposes. Any person who is granted an exemption pursuant to a claim filed in accordance with this section shall notify the assessor by ~~June 30~~ *February 15* if the property becomes ineligible for the exemption.

(d) Upon any indication that a religious exemption has been incorrectly allowed, the assessor shall make a redetermination of eligibility for the religious exemption. If the assessor determines that the property or any portion thereof is no longer eligible for the exemption, he or she shall immediately cancel the exemption on so much of the property as is no longer eligible for exemption.

If a religious exemption has been incorrectly allowed, an escape assessment as allowed by Article 4 (commencing with Section 531) of Chapter 3 in the amount of the exemption with interest as provided in Section 506 shall be made, together with a penalty for failure to notify the assessor, where applicable, in the amount of 10 percent of the assessment but not to exceed two hundred fifty dollars ($250) in tax liability.

SEC. 4. Section 425 is added to the Revenue and Taxation Code, to read:

425. Except in the case of fraud, an assessment of taxes, penalties or interest that accrues as a result of a compliance audit conducted by the Department of Conservation, or by the Department of Finance on behalf of the Department of Conservation, of the records of the assessor of any county or city and county on land valued under the California Land Conservation Act as of 1965 (Chapter 7 (commencing with Section 51200) of Part 1 of Division 1 of Title 5 of the Government Code) shall be made within four years after July 1 of the assessment year in which the property escaped taxation or was underassessed.

SEC. 5. Section 532 of the Revenue and Taxation Code is amended to read:

532. (a) Except as provided in subdivision (b), any assessment made pursuant to either Article 3 (commencing with Section 501) or this article shall be made within four years after July 1 of the assessment year in which the property escaped taxation or was underassessed.

(b) (1) Any assessment to which the penalty provided for in Section 504 must be added shall be made within ~~six~~ *eight* years after July 1 of the assessment year in which the property escaped taxation or was underassessed.

(2) Any assessment resulting from an unrecorded change in ownership or change in control for which either a change in ownership statement, as required by Section 480 or a preliminary change in ownership report, as required by Section 480.3, is not filed with respect to the event giving rise to the escape assessment or underassessment shall be made within eight years after July 1 of the assessment year in which the property escaped taxation or was underassessed. For purposes of this paragraph, an ‘‘unrecorded change in ownership or change in control’’ means a deed or other document evidencing a change in ownership that was not filed with the county recorder’s office at the time the event took place.

(3) Notwithstanding paragraphs (1) and (2), in the case where property has escaped taxation, in whole or in part, or has been underassessed, following a change in ownership and either the penalty provided for in Section 503 must be added or a change in ownership statement, as required by Section 480.1 or 480.2 was not filed with respect to the event giving rise to the escape assessment or underassessment, an escape assessment shall be made for each year in which the property escaped taxation or was underassessed.

(c) For purposes of this section, ‘‘assessment year’’ means the period defined in Section 118.

SEC. 6. Section 606 of the Revenue and Taxation Code is amended to read:

606. (a) Except as provided in subdivisions (b) and (c), when any tract of land is situated in two or more revenue districts, the part in each district shall be separately assessed.

(b) Where the owner of two or more contiguous parcels comprising the tract is identical, and the full value of any parcel is less than ~~five thousand dollars ($5,000)~~ *twenty-five thousand dollars ($25,000)*, that parcel may be combined with the contiguous parcel with the greatest assessed valuation.

(c) Where the owner of two or more contiguous parcels comprising the tract is identical, and the tract of land is being used for a single-family residence and constitutes ~~15,000~~ *45,000* square feet or less, the smallest parcel may be combined with the largest contiguous parcel.

SEC. 7. Notwithstanding Section 2229 of the Revenue and Taxation Code, no appropriation is made by this act and the state shall not reimburse any local agency for any property tax revenues lost by it pursuant to this act.

SEC. 8. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.
